Metabarcoding for Diet Analysis and eDNA Course Contacts

Thank you for attending our course, we hope you all had a good time and found it useful!

If you have any questions regarding field or lab aspects please contact Dr Gavin Horsburgh (g.horsburgh@sheffield.ac.uk). Please allow up to 3 weeks for a response as we will collate questions and answers.

If you have any questions regarding applying for access to the NEOF Visitor Facility or general questions on how we can support your work please contact Dr Deborah Dawson (d.a.dawson@sheffield.ac.uk).

If you have any questions regarding the bioinformatics aspects of the course please contact Dr Helen Hipperson (h.hipperson@sheffield.ac.uk) or ask on the course slack channel (edna_metabarcoding-22-26jul24) and we will get back to you as soon as we can.
